Hi Kerry,

I will attend this meeting to represent the SLO Office.

Captains, it's been two years since Hollywood 4WRD came together for a planning retreat – to surface priorities in the community and come together around our key initiatives to work collaboratively on in the coming year.

This retreat is coming together on Monday, April 13 from 8:30 – 1:15. It would be ideal to have at least one LAPD Hollywood rep there – to bring the voice of law enforcement to the room. But we will take as many as you can send.

The issues are ever-complicated, esp. with what everyone agrees to be an increase in homelessness in the city.

Please let me know who you might spare for that retreat...who would also be a conduit back to the Division on joint strategies. It will be held downtown at the CA Community Foundation on Figueroa.
